Frankfurt Book Fair

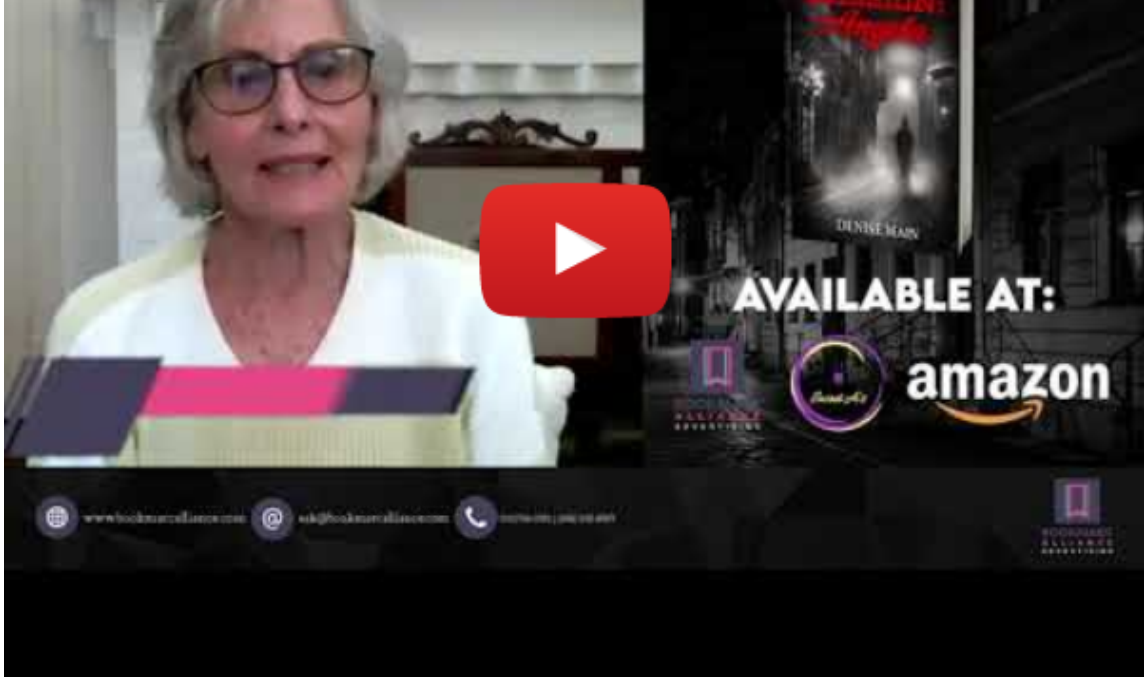

Since Feather Knight Books published Denise Main's spy fiction novel, *Mission: Angela* in 2022 she has made her mark on the literary world through her writing workshops, speaking engagements; and her interview that crossed international borders.

Selected by a top literary critic in 2023, *Mission: Angela* was featured prominently in the Frankfurt Book Fair last October. The opportunity to showcase *Mission: Angela* at the world's largest trade fair for books was a tremendous honor for Denise Main, and her publishing team at Feather Knight Books.

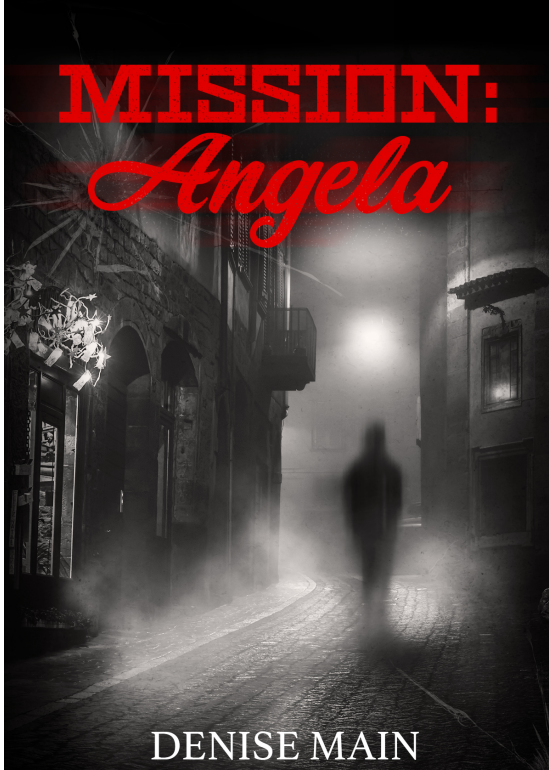

The exposure has greatly contributed to Denise Main's international recognition, and this remarkable achievement is a testament to the author's talent and the captivating nature of her work. It also highlights the exceptional quality of the author's writing and the universal appeal of her story.

A Compelling Story of Espionage and Love

After WW2 a defeated Germany is divided, and East Berlin becomes the de facto capital of the German Democratic Republic. The Berlin Wall is built which becomes the most powerful and oppressive iconic symbol of the Cold War.

West Berlin Police retrieve the body of a woman who drowned in the Havel River. Erna Klomp, an MI6 agent is assigned to take on the dead woman's East Berlin identity. As Angela Muller she is sent through an escape tunnel on a perilous operation to East Berlin.

Her Mission? To infiltrate the Secret Police Headquarters of the Stasi. The Stasi is the most repressive, hated and feared arm of the GDR Government and responsible for espionage, domestic and political surveillance.

Angela gains promotion to Oberleutnant Axel Hempf's administration where she must access Stasi secret intelligence, vital in assisting MI6 agents and the East Germans escape to the West.

Over time, and against better judgement, a dangerous attraction develops between Angela and Axel. It becomes so powerful and compelling they are unable to resist.

—Changing their Lives Forever—

In this highly charged spy-thriller, the suspense builds as the heroine, Angela, develops a dangerous attraction for the enemy, Oberleutnant Axel Hempf.

Angela, an MI6 agent, carves a strong path in her plight to save others and is willing to sacrifice her own life. But in her mission, she must also face an internal battle between heart and mind—*desire and duty*.

Denise Main has a natural flair for getting inside her characters' minds to bring them to life. Her novel *Mission: Angela* is a heady mix of intrigue, romance and espionage.
